## The 15th Annual EQUINOX KID'S MARATHON

Held in conjunction with the Equinox Marathon, the Equinox Kid's Marathon allows you (a kid in grade K through 6) to run a marathon—1 mile at a time. The goal is for you to improve your fitness and have lots of fun at the same time.

Once your registration form has been received, we will mail you some toe tokens. Your mom, dad, or helping adult will give you a toe token for every 5 miles that you complete. We have included a suggested schedule for completing your miles. The last 1.2 miles of your marathon will be completed on September 16th, the day of the Equinox Marathon.

Have an adult help you find a route that is 0.5-1 mile long, and is safe for you to run/walk. High school tracks are excellent places to run (4 laps = 1 mile), or find a route in your neighborhood. Get your friends to join you. Get your mom and dad to join you. Fitness is for everybody!

You may pick up your bib number on Thursday, September 14th at the UAF Wood Center (5-8 p.m.), on Friday, September 15th at the UAF Wood Center (5-8 p.m.), or near the starting area on race day (8:30-8:45 a.m.).

The Kid's Marathon will start at 9:00 a.m. at UAF Patty Center. Volunteers will be on hand to ensure a safe event, and your parents and older siblings are welcome to run with you. There will be no times recorded as this is a non-competitive event—everyone who participates is a winner. At the finish line, you can pick up your special Finisher's T-shirt and goodies and be proud of your accomplishment!
